

Did you know... an average 4 year old child asks 437 questions a day?

This term as part of our STEM whole school topic we will be promoting the asking of questions and 'wondering'. For example, Why do we cry?

Please think of questions (Welton Wonders...) as a family, record them below and return them to school on the first day back - Monday 19th February. We can't promise to answer them all but the process of asking questions drives creativity, encourages an open mind and leads us to new knowledge.

@we_the_curious are worth a follow on Twitter and you can always tweet any good questions to them.

Welton Wonders...

Welton Wonders...

*'Knowing the answers will help you in school...
knowing how to question will help you in life.'*
